I'm wasted as my time
Spent sitting idly by
Drinking in this shithole
While you all went out outside
It's a great day to fall asleep
It's a kick-ass day to dream
That I'm still capable
Of saying what I mean

The times are changing
But we all stayed the same
We faded and faded
Now nothing remains
As we breathe our last breaths
And kiss our goodbyes
Remember us buried
Alive...

I'm wasted as
These city blocks
These Blockbusters
And parking lots
As faded like this
A parking space
Sealed up
To see what rots

(The times are changing
But we all stayed the same
We faded and faded
Now nothing remains)

Hold on!
This ship is sinking and
I don't know what to do
If we die in fire and water
I want to be with you

Oh captain, my captain
I fought hard
'Til everything was lost
No fortune did I seek

Remember, remember, remember
Us buried in the deep

Remember, remember, remember
Us buried in the deep
