I watch you (10X),

I watch you (8X),

I watch you,  
And the way you move,  
You're locked in,  
Some twisted groove,  
If I could,  
I would dance with you,  
You see me watching baby,  
So damn stuck on you  
(2X)

Let me tell ya,  
You got me,  
You're all I think of,  
Over and over,  
It's crazy,  
Can't seem to shake it off,  
When I see ya,  
I burn off,  
It's like a sickness,  
I got to find me a sweet release yeah,

Although, you're all I wanted,  
Why can't,  
I find the strength to,  
Make you,  
Want me like I want you,  
So until that time,

I watch you,  
And the way you move,  
You're locked in,  
Some twisted groove,  
If I could,  
I would dance with you,  
You see me watching baby,  
So damn stuck on you.  
(4X)
