Cha Cha 2000  
Future is calling  
Future is calling  
Cha Cha 2000  
Cha Cha 2000  
Cha Cha 2000  
Cha Cha 2000  
Tanz auf die Zukunft  
Mit mir  
Cha Cha 2000  
Cha Cha 2000  
Dance to the future  
With me  
Cha Cha 2000  
Cha Cha 2000  
Gib acht  
Dass niemand  
Unsern Traum zunichtemacht  
Cha Cha 2000  
Cha Cha 2000  
Gib acht  
Cha Cha 2000  
Laser blue eyes  
Can see paradise  
But the terror will grow  
And the world will explode  
Into a new moral code  
We all need to  
Cha cha cha cha cha cha cha  
Cha cha cha cha cha cha cha  
Change  
We all need to change  
And care  
For the weak  
And share  
With the poor  
Where will he lead us from here  
Will it be drama  
Or cha cha Belleville  
Cha cha Belleville  
Cha cha Belleville  
Cha cha Belleville

So  
Get out of your car  
And walk on your feet  
And move body move  
Life is more  
Than just eat  
And stop drinking hard  
And smoking and doping  
You better start thinking  
And you better start working  
Deep inside yourself  
This  
Will be paradise  
If we open our heart  
If we open our eyes  
Come on  
And make it paradise  
Where the rivers are blue  
And the air is clean  
And the grass green  
We must work harder  
We need better leaders  
Who love us and don't sheat us [I think they mean  
"cheat".]  
Don't sheat us  
We must  
Try try try try  
It's getting 2000  
It's getting 2000  
Cha Cha 2000  
It's getting 2000  
Technology sympathy  
Economy sympathy  
Phantasy phantasy  
We've got it all  
But we don't know  
Yet  
So watch it  
Your problems will grow  
And break all over you  
And then  
You fall  
Into a deep dream  
And then  
You wake up  
And feel it  
How it is  
And how it could be  
And then  
You get up  
And step into the sun

And feel it  
Feel it  
How it could be  
And then  
Do it  
Tanz auf die Zukunft  
Mit mir  
Cha Cha 2000  
Cha Cha 2000  
Dance to the future  
With me  
Cha Cha 2000  
Cha Cha 2000  
Gib acht  
Cha Cha 2000  
Cha Cha 2000  
And your  
Laser blue eyes  
Can see paradise  
When the wars have all gone  
And it's futur d'amour  
And we care for the weak  
And we share with the poor  
2000  
Steht vor unsrer Tuer
