3:53)

Baby, baby look so fine

let me know that you'll be mine

cause I don't wanna be alone tonight

pick me up and take me home

let your love be all I own

just be my baby through the night

baby take off your leather

and show me all your lace

gimme lovin one thousand ways

cause I'm hungry

yes, I'm hungry

Oh so hungry

hungry for your love

keep your engine running high

when you take my love inside

but hold the trigger on my loaded gun

show me that your touch is right

and take to the top tonight

hurt me baby but don't let me cry

cause your touching gets me crazy

and your teasing drives me wild
I need your love like a little child
cause I'm hungry
yes I'm hungry
oh so hungry for your love
cause your love is wild
I'm begging like a child
needing all of you
when your love is mine
I'll be feeling fine
All through the night
keep your engine running high
when you take my love inside
but hold the trigger on my loaded gun
baby take off your leather
and show me all your lace
gimme love one thousand ways
cause I'm hungry, etc
