There comes a time  
When baby you ã,ã'nã,â¹ me  
We gotta work it out  
Whatever it will be  
It feels so right  
But somewhere deep inside  
You donã,â¹t know how you feel  
You donã,â¹t know if it is real  
Do you want it  
Do you need it  
ã,ã'Cause love donã,â¹t come easy  
Do you want it  
Do you need it  
ã,ã'Cause love donã,â¹t come easy  
There comes a time  
When you wake up one day  
Not knowing if our love  
Will take us all the way  
Then suddenly,  
You feel you must decide  
If we should carry on

With what weÃ,Â¹ve just begun  
You know that it ainÃ,Â¹t always easy  
You know that it ainÃ,Â¹t always right  
When love finds a place in your heart  
Do you want it, etc.  
You can walk out thru this open door  
Just like so many times before  
If you donÃ,Â¹t find what you are looking for  
You may be lost forevermore  
You know that it ainÃ,Â¹t always easy  
You know that it ainÃ,Â¹t always right  
When love finds a place in your heart  
There comes a time  
When baby you should know  
We are gonna make it  
You gotta let it show  
Ã,Â¹Cause I canÃ,Â¹t wait  
And find out in the end  
That you will not be standing  
Right here by my side
