There comes a time
When baby you RnÂ¹ me
We gotta work it out
Whatever it will be
It feels so right
But somewhere deep inside
You donÂ¹t know how you feel
You donÂ¹t know if it is real
Do you want it
Do you need it
RCause love donÂ¹t come easy
Do you want it
Do you need it
RCause love donÂ¹t come easy
There comes a time
When you wake up one day
Not knowing if our love
Will take us all the way
Then suddenly,
You feel you must decide
If we should carry on
With what weÂ¹ve just begun
You know that it ainÂ¹t always easy
You know that it ainÂ¹t always right
When love finds a place in your heart
Do you want it, etc.
You can walk out thru this open door
Just like so many times before
If you donÂ¹t find what you are looking for
You may be lost forevermore
You know that it ainÂ¹t always easy
You know that it ainÂ¹t always right
When love finds a place in your heart
There comes a time
When baby you should know
We are gonna make it
You gotta let it show
RCause I canÂ¹t wait
And find out in the end
That you will not be standing
Right here by my side
