wait just a moment before our love will die  
cause I must know the reason why we say goodbye  
wait just a moment and tell me why  
cause I can show you lovin that you won't deny  
wait and show your lovin like it was before  
cause I won't let that feelin walk out through the door  
yeah wait just a moment and try once more  
cause babe I need to hold you like I did before  
so if you go away I know that I will follow  
cause there's a place inside my heart that tells me  
hold out, hold out, hold out  
wait - wait I never had a chance to love you  
wait - wait if only our love could show you  
wait - wait I never wanna be without you  
wait - wait no I never had a chance to love you  
now I only wanna say I love you one more time  
solo  
wait - wait I never had a chance to love you  
wait - wait if only our love could show you  
wait - wait I never wanna be without you  
wait - wait no I never had a chance to love you

now I only wanna say I love you wait
