You are one of many guys  
Who wanna enter into my life  
And my Standards are high  
If you think that you have  
What it takes  
You better be up for it

So get ready baby  
I'm gonna give you a try  
So don't be shy  
I'm just wondering

Do you know what you've gotten yourself into  
Do you think you can handle it  
Do you understand what you got yourself into  
Do you think you can handle it  
You should really stop to ask yourself  
Can you handle it

I am a one of a kind classy lady  
And I don't tolerate being treated badly  
So you better treat me right  
Get your act together,  
Straighen up your tie  
you better be bringing it

So get ready baby  
I'm gonna give you a try  
So don't be shy  
I'm just wondering

Do you know what you've gotten yourself into  
Do you think you can handle it  
Do you understand what you got yourself into  
Do you think you can handle it  
You should really stop to ask yourself  
Can you handle it

I need my guy to be understanding  
and a gentleman  
And if you don't pass the test  
Then I'll know that

You can't handle it
