I know you're feeling down right now
Like you're just the odd girl out
Let me tell you, that's who I used to be
But now I know I can't be anyone but me

Don't let them get you down girl
Cause you don't deserve it
Don't let them push you 'round girl
Cause they ain't worth it
Live you life the way you want it to be
And just remind yourself,
I am wonderful just being me

Don't worry about everything they say
'Cause in the long run,
it's better to do it
your own way

Do your thing
get yourself up and dance
Do your thing
girl, go ahead and work it
Do your thing,
get yourself up and dance
Do your thing
girl, go ahead and work it
Do your thing

Everyone is trying to be
Like the models and superstars on T.V.
Don't follow that crowd girl,
Be unique
Don't let anyone tell you who to be

Don't Be like everyone, girl
Cause you are better
And if she tries to bring you down
Don't let her,
You are a queen and that's how it should be
Just remind yourself,
I am wonderful just being me

Don't worry about everything they say
'Cause in the long run,
it's better to do it
your own way

Do your thing
get yourself up and dance
Do your thing
girl, go ahead and work it
Do your thing,
get yourself up and dance
Do your thing
girl, go ahead and work it
Do your thing

When you start feeling insecure
Take a nice long look in the mirror
And remember that
You're beautiful
