"Where You Are"

I'm lonely
I dont wanna feel this way
I want you to come here
And I want you to stay
I want you to look into my eyes
And take my breath away
And tell me that you love me
And that you'll never go away

I just wanna be where you are
wrapped up in your arms
I just wanna be where you are
Where I feel safe from all harm

I just wanna be where you are
trapped in your loving embrace
I just wanna be where you are
And i'll never try to escape
I'm sad
I really dont want to cry
I want you to wipe away
Every tear from my eyes.
I want to hear your voice
I want to feel your touch
I want you to love me
Because I love you so much

I wanna be with you
And there's nothing you can do
To make me Change
Feeling this way About You
