you are beautiful
but you are mean
your best friend has the eyes
but you make me grin
you hurt me alot
but i still love you
i think it is just the best
thing to do

[Chorus]
wait just wait for me in time
i think its love
maybe more
i cant decide
i hope its not hatred
cause im gonna pay for it
no way this is just the other way i feel
the other way i feel about you

i know you hate me
when he's around but
hating me
wont make you pretty
i obsess over the jonas brothers
you wont like me if i keep it up
i got a necklace
i got a shirt
i think your hurt
i love you for dirt

[Chorus]
wait just wait for me in time
i think its love
maybe more
i cant decide
i hope its not hatred
cause im gonna pay for it
no way this is just the other way i feel
the other way i feel about you

you may seem lonely
you may seem scared

i like you and all
but you have to like them too
oh cause its all about your sos
to kill the jonas brothers
you want them dead
and so does your mother
it is the end now
i got to go
ill see you in time
i will still glow
