RUN

(Peter Kvint)

Yeah, oh yeah

Cheap thrills and messing around

Youve been busy

Letting her down

Put on a show

Never try to tell the truth

You had it all

You threw it away

How could you know there would be a day

When shed give up

And turn her back on you

Boy, you better run

And tell her that this story has just begun

Tell her that no matter what youve done

She is still the only one

Oh, boy you better run

Cause shes gonna run from you

Now shes saying that its time to move on

Before you know it she will be gone

You better hurry

Better try to make things right

Oh, its about time that you realize

She wont see the tears in your eyes

No, she aint gonna know about the way you miss her
now

Boy, you better run

And tell her that this story has just begun

Tell her that no matter what youve done

She is still the only one

Oh, boy you better run

Cause shes gonna run from you

I tell myself its a different story

Tell myself theres no need to worry

Now I know that I got to hurry

I aint going to make it stop

Until Ive made it up to her

Shes still the only one

Oh, boy, youve got to run

No matter where youve been

Its nothing but a sin

Stop acting like a fool
Stop trying playing cool
Boy, you better run
Boy, you better run
And tell her that this story has just begun
Tell her that no matter what youve done
She is still the only one
Oh, boy you better run
Cause shes gonna run from you
