STILL HOLDING ON
(Rootation/Johan Rhr)
So many years gone by
Still I wonder why
We never talked about home (Inte sker p sista ordet.
Hope?)
Wanted to break us up
I acted as a child
No, I was wrong
But now
Im older and wiser
So please hear me out
Cause Im still holding on
Waited for much too long
I know we can make it last this time
I feel it so strong
It is with me you belong
So please come home
Tried so many times
To find my peace of mind
I couldnt forget the dreams we had
And all of the plans we made
Did they just fade away?
I know we were young
But now
Were older and wiser
So please hear me out
Cause Im still holding on
Waited for much too long
I know we can make it last this time
I feel it so strong
Its with me you belong
So please come home
Things that were said and done
Are all in the past
Lets make it right this time
Lets make it last
Cause I know we can
And I know you can
Still holding on
And I waited much too long
And I know, yes I know, we can make it this time

And I feel it so strong
Because you belong with me
Please come home
