TAKE IT TO HEART
(Michael McDonald/Diane Warren)
I know that youre afraid to love
Youve been hurt before
Love broke your heart
So you closed the door
Now here I am outside your world
Wishing youd let me in
Give me half a chance to prove you wrong
Baby, all your tears have come and gone
Talking about a brand new start
Take it to heart
Baby, believe it
This love is so strong
That it wont let you go
Baby, hold on
Youll see
Just how good its gonna be
Its gonna be here
As long as you need it
Never take your world
Tear it apart
Take it to heart
Baby
Youre gonna have to trust someone
Its a shame if you dont
Cause it aint no life
Living all alone
Let me show you how to love again
Theres no broken heart that I wont mend
Talking about a brand new start
Take it to heart
Baby, believe it
This love is so strong
That it wont let you go
Baby, hold on
Youll see
Just how good its gonna be
Its gonna be here
As long as you need it
Never take your world
Blow it apart

Take it to heart
I just wanna be the one
That will be there by your side
So take this love of mine
Take it to heart
Oh, its gonna be here
As long as you need it
Never take your world
Tear it apart
Take it to heart
Take it to heart
Love is a second chance to find all that we lost
Love is always worth the try no matter what the cost
I know you dont believe your tears have come and
gone
Give me but half a chance and I will prove you wrong
