and when the pain still lingers on
where there's no will to carry on
just when you think all hope is gone
THE FIGHT STILL GOES ON
and when the tension's running high
the fire begins to rise
just when you think yr gonna die
THE FIGHT STILL GOES ON

FIGHT
for revolution
FIGHT
for for retribution
FIGHT
for a solution
FIGHT
FOR EVOLUTION

the adversary's looming close
time to see things for what they are
and as the chaos grows
THE FIGHT MUST GO ON
just one more chance to bring it down
the kingdom's ours let's take the crown
don't even hesitate
STEP RIGHT UP TO THE FUCKING PLATE

fight for yr sanity
fight for the energy
fight for eternity
FIGHT THE REAL ENEMY.
