well you finally found a reason  
to get under my skin  
you just flip the switch  
and here we go again  
my mind is filled with motives  
it just makes me sick  
i need a real quick fix  
just to cover the twitch

HEY  
YOU  
UP  
THERE  
getting high on information  
and locking me out of the system  
HEY  
YOU  
OUT  
THERE  
causing yr own self destruction  
and locking me out of the system  
i think i've lost all control  
too many pieces to hold  
the sooner i am out of sight  
the sooner i am out of mind  
i wish i knew all the answers  
to cover up yr lies  
it's one step forward  
two steps back  
three steps forward  
now break yr back

the sooner i am out of sight  
the sooner i am out of mind.
