all good things must come to an end
THE PAGES TURN THE BOOKS STILL BURN
can't stop the bomb can't avoid the descent
THEY ALL WANT TO GO AND THAT'S ALL WE KNOW
so throw me out of the fucking picture
SO SORRY ABOUT YOU AND YOUR SINGLE-SERVING
CREW
playing by ear is how i've learned that no one cares at
all
anymore

DISTRACTED MISINFORMED MISLED
TO SERVE THE MACHINE
sensory self-mutilated trip
into captivity
out with the old bring the new GUNS in
sick of the DRUGS that keep you thin
been hanging on the telephone way too long
just let it go...
JUST HANG UP

HANG UP
separate yrself from the noise
HANG UP
do it now before we're all destroyed
HANG UP
just lose that unbelievable shine
HANG UP
return-to-sender yr mail-order bride

beat the meat into submission
nothing left alive at all to take
wasted blood infect transfusion
so much trash our claim to stake
LITTLE TROOP DON'T FAIL ME NOW
KILL OFF THE ONE MY TV HATES
winning team now take a bow
yr useless adventure's far too great

remorseless perverts with yr obscenity
fill me up tie me up tear me down.
