Said I had to study for that test  
I said I didn't know  
Said when I started that hurt feelings  
I said I didn't know  
I'm so young.  
I don't know that much.  
They say I gotta learn some.  
This and that, such and such  
But

One thing I do know that I didn't know before  
Is that I never thought someone like you would knock  
On my door, Oh  
'Stead of waiting for the one thing I know is true  
I kept saying I Never Knew  
And now I'm here with you

Said I'm supposed to show up and 6 o'clock  
I said I didn't know  
Said I broke his telling him good'bye  
I said I didn't know

There's alot of things  
I just don't understand  
I lost the race  
And hope you'll come to shake my hand  
But, Oh Oh Yeah. But

One thing I do know that I didn't know before  
Is that I never thought someone like you would knock  
On my door, Oh  
'Stead of waiting for the one thing I know is true  
I kept saying I never knew  
And now I'm here with you

Oh baby I just wasn't sure  
If the feel of this was right  
I just wanted to make everything great  
And now we're in this fight  
I'm just a little girl and I don't know  
All that I'm supposed to know  
Oh, if I brought you down,

Well baby I didn't know  
Oh I just didn't know oh YEAH

MUSIC

One thing I do know that I didn't know before  
Is that I never thought someone like you would knock  
On my door, Oh  
'Stead of waiting for the one thing I know is true  
I kept saying I never know  
And now I'm here with you

And now I'm here....  
with you ooh
