Dad, I want a new car
Oh, no you don't!
Yeah, of course I do.
How much money?
A bunch.
"A bunch" as in "I don't have it?"
Of course.
What type of car do you want?

Either a Lamborghini or a Mustang.
Wow.
What, I can't have it?
Or the money.
Oh, come on!
What? I don't have the money!

You have both of those cars and
You're saying you don't
Have the money?
A little bit.
Come on! I'll tell you what.
I'll pay you
Back in 12 years.
12 years? Sounds good to me.
