Intro:

There's a sweet Sprite in this place.

There's a sweet Sprite in this place.

Watching over us and keeping us,  
resting in our stomachs  
(there's a sweet Sprite, sweet Sprite),  
(sweet Sprite in here).

Verse 1:

When I think about,  
about all the things you've done,  
for you kept me from Coke and Grape Juice  
How could I ever thank you?

When I think about,  
'bout all the changes I put you through;  
I swallow and see you're not there,  
keeping me from swallowing  
When I swallow, you go down.

Chorus 1:

There's a sweet Sprite in this place.

There's a sweet Sprite in this place.

Watching over us and keeping us,  
resting in our stomachs  
(there's a sweet Sprite, sweet Sprite),  
(sweet Sprite in here).

Verse 2:

When I think about,  
how you saved my life one day (yeah, yeah),  
friends have tasted Sprite. Oh, did they ever so love it!  
You were on your way down (into the trash can)  
You, Sprite, had other plans for me.  
And I don't really know what you need,  
Maybe go down, down to my feet.

Chorus 2:

There's a sweet Sprite in this place.

There's a sweet Sprite in this place.

Watching over us and keeping us,  
resting in our stomachs...

There's a sweet Sprite,  
there's a sweet Sprite.
