I can't give up I heard him say, the day he left  
Fadin' footsteps on hot cement  
I don't know where he went, but he left in a hurry  
Sayin' somehing about a mission of mercy

Mama hasn't been sleepin' well at all  
As she lies stretched out in the hall  
Waiting for him to call

Now the mercy of his missioon still isn't quite clear  
A different angle than what it would appear  
I don't know where he went, but he left in a hurry  
He sayin' something about a mission of mercy

Mama hasn't been sleepin' well at all  
As she lies stretched out in the hall  
Waiting for him to...

Call us please someday  
At least you could explain  
Call us please someday  
I never knew mercy could feel this way

Mama hasn't been sleepin' well at all  
As she lies stretched out in the hall  
Doesn't seem like my mama at all  
She's waiting for him to...

Call us please someday  
At least you could explain  
Call us please someday  
I never knew mercy could feel this way
