We walked the loneliest mile  
We smiled without any style  
We kiss altogether wrong  
No intention

We lied about each others dreams  
We lived without each other thinkin'  
What anyone would do  
Without me and you

Chorus:  
It's like I told you  
Only the lonely can play  
So hold on here we go  
Hold on to nothin' we know  
I feel so lonely way up here

We mention the time we were together  
So long ago, well I don't remember  
All I know is that it makes me feel good now

Repeat chorus
