ONLY THE LONELY

The Motels

We walked the loneliest mile

We smiled without any style

We kiss altogether wrong

No intention

We lied about each others drinkin

We lived without each other thinkin'

What anyone would do

Without me and you

CHORUS:

It's like I told you

Only the lonely can play

So hold on here we go

Hold on to nothin' we know

I feel so lonely way up here

We mention the time we were together

So long ago, well I don't remember

All I know is that it makes me feel good now

CHORUS

Only the lonely can play

Only the lonely can play

CHORUS

Only the lonely can play
