Shame

The Motels

A very simple statement

A very simple crime

A lot of grief reflecting in how we spend our time

I want to change things

I want to make a change

I'm tired of spending time agonizing yesterdays

Shame on me

Shame on you

Shame on every little thing that we do

Shame on me

Shame on you

Now's there's only one thing that we can do.

Another empty day

Another day comes true

A lot of selfish dreams are waiting here for you

I've got to have you

I've got no one to blame

It's just the two of us

With nothing left to say

But..

Shame on me

Shame on you

Shame on every little thing that we do

Shame on me

Shame on you

Now there's only one thing we can do

Shame on me

Shame on you

Shame on me

Shame on you

I've got to change things

I've got to make a change

I'm tired of spending time agonizing yesterdays

Shame on me

Shame on you
