If I could turn back this time  
You would see what's inside  
Your eyes to me are like a mirror  
It swirls inside of my mind  
There's just so much on the line  
Is honesty always the answer now?

I'm on the ledge  
Can't fall down  
See me on the edge  
I'm on the ledge  
Breaking down  
See me on the edge

I know that I just can't hide  
I gamble just let it ride  
It's much too hard to turn away  
It's all such a surprise  
I can tell it all from your eyes  
It's all I can do to keep my head up now.

I'm on the ledge  
Can't fall down  
See me on the edge  
I'm on the ledge  
Breaking down  
See me on the edge

I'm on the...I'm on the...I'm on the...LEDGE

I'm on the ledge  
Can't fall down  
See me on the edge  
I'm on the ledge  
Breaking down  
See me on the edge

I'm on the ledge  
Can't fall down  
See me on the edge  
I'm on the ledge  
Breaking down

See me on the edge

See me on the edge
