Feel alone...abandoned  
Tired to exist  
Go through life  
Dive so deep  
You leave the world  
Fly in a new death  
Searching the light

You can see the dome  
Come into the dome

Ask yourself some questions  
Try to be seen  
Touch the cold skin  
Look at the pale faces  
This is your hell  
You don't feel anything  
But you're watched  
Look for the only living soul

You can see the dome  
Come into the dome

A request for the other side  
Don't try to escape  
Now you belong to me  
I just want your soul  
You've got no choice  
Your body runs away  
But we are every where you are  
It's time for you to die

You can see the dome  
Come into the dome

Now the pact is not the same  
You will stay, you'll be my slave  
You tried to betray me  
You'll never leave the hell  
Your flesh will be my meal  
Your brain will be my trophy  
Your eyes will be my rubies

Your heart will make me live

Now you're coming back to life  
You've been at Devil's door  
You think it was a dream  
Just the purgatory
