My hands on fire
My head on fire
My eyes on fire
My lips on fire
My hands on fire
My mind on fire
My eyes on fire
My lips on fire
My hands, my face, my skin on fire
My shoes on fire
My clothes on fire
My house on fire
My yard on fire
My things, my house, my world on fire
The girl combusts all over me, the girl combusts all
over me
Burning down my sanity, the girl combusts all over me
The girl combusts all over me, the girl combusts all
over me
Burning down my sanity, Burning down my sanity
My phone on fire
My files on fire
My job on fire
My world's on fire
The girl combusts all over me, the girl combusts all
over me
Burning down my sanity, the girl combusts all over me
The girl combusts all over me, the girl combusts all
over me
Burning down my sanity, burning down my sanity
Everybody's havin fun
Everybody's havin fun
Everybody's havin fun, except me
Except me
My plans on fire
My dreams on fire
My hope on fire
My life on fire
The girl combusts all over me , the girl combusts all
over me
Burning down my sanity, the girl combusts all over me
The girl combusts all over me, the girl combusts all

over me
Burning down my sanity, burning down my sanity
The girl combusts all over me, the girl combusts all
over me
Burning down my sanity, burning down my sanity
Everybody's havin fun
Everybody's havin fun
Everybody's havin fun except me
Except me
