I don't want to be all by myself  
I don't want to be all by myself  
Yeah you're perfect  
Don't wanna love anybody else  
Don't wanna love anybody else  
Please say you'll stay  
Can't ya catch on  
or don't you want to  
Everyone thinks that you just don't care  
Sometimes I hear a voice that tells me things  
I don't wanna do..  
I don't wanna live like all the rest  
I don't wanna live like all the rest  
They all bore me  
I am failing each and every test  
I am failing each and every test  
She's so mean to me.  
I don't want to come down hard on you  
But it just seems your not happy here  
Sometimes I hear a voice that tells me things I don't  
want to know  
Don't wanna love anybody else  
Don't wanna love anybody else  
Don't wanna love anybody  
Don't wanna love anybody else  
Don't wanna love anybody else  
Don't wanna love anybody
