Nice hair, where are we going to?  
Don't care, I wanna go with you  
She did it, she did it again  
Right there, is what I'm talkin' bout  
Don't stare, I kinda creep her out  
I've been ok, well how 'bout you?

Wo-o-oh

She don't want your revolution if she can't dance  
Cool plaid, I like the way you dance  
All right, no need to get so mad  
She'll kill it, she'll kill it again  
That bitch, drank my Jack & Coke  
Don't look, I think she checked me out  
Hey, DJ, play that song again

Wo-o-oh

She don't want your revolution if she can't dance  
If she can't dance

I-T-H-I-N-K-T-H-A-T-C-H-I-C-K-D-I-G-S-M-E-S-H-E-S-G-O-T-  
I-T-B-A-D

Oooh

She'll spell it, she'll spell it again  
Goddamn, where does your kind come from  
No man should have to feel so dumb  
How 'bout you give me one more chance

She don't want your revolution if she can't dance  
If she can't dance
