"Got To Be"

Wherever the wind blows
That's where I'm gonna go
Wherever it takes me
That's where I wanna be

Got to be
Got to be
Got to be
Got to believe
Got to see it to believe

Got to be
Got to be
Got to be
Got to believe
Got to see it to believe

Out on the open road
To destiny: unknown
The future, it unfolds
The story, yet untold

Got to be
Got to be
Got to be
Got to believe
Got to see it to believe

Got to be
Got to be
Got to be
Got to believe
Got to see it to believe

Wherever my heart beats
I'm marching to the beat
Whenever my soul sings
I wanna be a key

Way off the beaten path
I'm making my own tracks
Across the desert sand

Straight to the promise land

Got to be
Got to be
Got to be
Got to believe
Got to see it to believe

Got to be
Got to be
Got to be
Got to believe
Got to see it to believe
