But dem a still like ice  
But dem a still like ice  
But dem a still like ice  
Dem crazy the more def  
But dem a still like ice  
But dem a still like ice  
Hard fi di ghetto dem a fishes fi di ghetto  
Dem a brude fi di ghetto dem a still pon di ghetto dem  
But dem a still like ice  
But dem a still like heights  
Hey lights see the lights  
Me coma and come to tell dem  
But dem a still like heights yeeaaahhhh !!

Night and day I seek ya before it's too late ya  
Night and day I seek ya, I seek ya  
Night and day I seek ya, before it's too late ya  
Night and day I seek ya

People remember !  
This a will how so we love yeah ã© ã© eiiii  
This a will how so we love-ooove  
This a will how so we love  
The heartless will be \*\*\*\*\* the needy evil's got  
eiii  
This a will how so we love  
People say  
This a will how so we love  
This a will how so we love

Nufa dem take care of the ghetto youth dem bis is no  
way  
Dem want realise dem evil plan  
Till di ghetto strength strong commute with earth, fear  
and water  
Bongo men come straight just cause  
They're still don't see Marcus Garvey vision long in my  
life brake tears no ear more murda  
But \*\*\*\*\* has a choice dem raga culture  
The proud of my youth \*\*\*\*\* from the batty teacha  
Ruffa dem a come against a we rights  
\*\*\*\*\* send dem of the last antichrist

Father given dem \*\*\*\*\* to \*\*\*\*\* hypocrite  
Oh mama be lovin next test aaaa

Night and day, I seek ya before it's too late ya  
Night and day, I seek ya, I seek ya  
Night and day ya, I seek ya before it's too late ya  
Night and day ya, I seek ya

Bingi man say  
Dem against di crime, me no monkey men  
Me say di my mind di evil'sman plan rasta men, guide  
the judgment  
Guide the judgment  
Plan B keep my sight on other side of my sight  
When the morning comes, me look up to di sun  
This is my escape, mi last trip in the falling trip  
Setting me free at last destitution of kings and queens  
from di evil kingdom  
There is king and queen that \*\*\*\*\* dem out  
I send strength and courage to da government victims  
To awake men, di poor and da pilgrims oooh!

Night and day I seek ya before it's too late ya  
Night and day I seek ya, I seek ya  
Night and day I seek ya before it's too late ya  
Night and day ya I seek ya

People remember !  
This a wil how so we love  
This a will how so we love  
This a will how so we love no way  
Dem want realise dem evil plan  
Pon di ghetto youth day ã©ã©ã©ã©  
This a will how so we love yã©ã©ã©ã©  
This a will how so we love yã©ã©ã©ã©  
This a will how so we love

Oh jah jah be my ritness  
I lights see the lights dem see the lights  
Pyroman see di lights must see de lights  
Thunda crew must see di lights, must see di lights  
My people must see the lights, must see the lights  
Night and day I seek ya before it's too late ya  
Night and day I seek ya, I seek ya  
Night and day I seek ya before it's too late ya
