Bloody, headless shadows screaming, "I will kill you!
You will feel my wrath!"

I have felt no greater pain as blades cover me, my skin
disintegrates.

Call me crazy for what I have seen in this life.
I am not the only one to stand up for what I believe.
I'd choose to die. I am not the only one.
Slaughter foresaid martyr, bloodshed.

Inner warfare, divine groaning overpower me. I cannot
conceal this.
I will not fear death, nor be distressed. I will not bend
nor bow down. You might as well burn me alive!

Call me crazy for what I have seen in this life.
I am not the only one to stand up for what I believe.
I'd choose to die. I am not the only one.
Slaughter foresaid martyr, bloodshed.

I am not the only one to stand up for what I believe.
I'd choose to die. I am not the only one.
Slaughter foresaid martyr, bloodshed.
