A kick it

White boy runnin from daylight
A clean slate they said and he laughs
A blood stain on my gazebo
For backseated woman with the cash
Shake it

Hold me close my heart is pounding
I'll never forget the love I had
When this world gives me it's shoulder
I'll just a kick it
I'll just a kick it
I'll just a kick it in the ass, boy

I'm ready tonight
Heart's sad and crimson blue
You need me poor sucker
Hats off to you, sure do

It's a Friday night
And I'm waiting for showdown
I'm lookin for my fight yeah
I'm just waitin

I said a white boy runnin from daylight
Clean slate they say and he laughs
A blood stain on my gazebo
For backseated woman with the booku bucks, baby

Hold me close my heart is pounding
I'll never forget the love I had
When this world gives me it's shoulder
I'll just a kick it
I'll just a kick it
I'll just a kick it motherfucker
Yeah yeah yeah
Cause I'm ready tonight
My heart's sad and crimson blue, boy
You need me poor sucker
Hats off to you, sure do

One more
It's a Friday night
And I'm waiting for showdown
And if you're paying me right
I'm still waitin
Waitin motherfucker
Yeah yeah yeah

Cause it's a Friday night boy
And I'm waitin
I'm waitin for you

I'm waitin
I'm waitin for the showdown

Im waitin
I'm waiting for the showdown

I'm waitin waitin waitin for you

I'm waitin
I'm waitin for you

Drinkin scotch, baby
Drinkin scotch, baby
Drinkin scotch, baby
