Mystery, changing me, love flows freely
Past mistakes, all my shame gone so quickly
How do i explain the way your love transforms me
Prison walls, falling down to free me change me

Love that's so consuming, swallow all of me
Love that's so pursuing, oh have me
Your love sets me free
I'm standing on the promises you've given me
Your love liberates me
I'm running, leaving chains behind
I stand free

Feel the weight, here today, gone tomorrow
Sweet release, all my fears cast out by your
Perfect love taht drives me on to seek your face, lord
Prison walls, falling down to free me change me

Your love sets me free!
