My life only consist of you
And now the chain is broken
You found out that I like you
And you took off and now there
Are tears running down my face?
And all you can say is sorry

Iâ'm mad at him that he told you
All I ever wanted was to stay
Your friend and you let me down
My world has fallen apart
And I can't breathe anymore
All I ever wanted was you

My life only consist of you
And now the chain is broken
You found out that I like you

And you took off and now there
Are tears running down my face?
And all you can say is sorry

All I ever wanted was you
And now you're not even
My friend any more I can't stand it
I hate him he wants to be cool with me but there
Is no way I can do that
He betrayed my trust and all
I only thing I wanted was for u to stay
In the dark about me liking you
Now are friend ship is over
And I can't stop crying over you
