Calm me down, calm me down  
I'm inside out and upside down  
Hold my head in your hands  
To calm me down, get it out

Get it out, oh, get it out  
Use your teeth and your mouth  
Cut in deep, the bullet out  
Oh no, I'm aroused now, I'm aroused

You better calm me down, oh  
Calm me down  
Use your teeth and your mouth

Use your body  
Use it to put me to sleep  
Your body, oh  
Soothe my soul so beautiful

All my life, oh, all my life  
I hurt myself and cut myself  
Put myself through living hell  
Also I could feel what I felt

When you took me in  
Absolved my sins  
Give me flesh and skin  
Use your skin

Use your body  
Use it to put me to sleep  
Your body, oh  
Soothing my soul, so beautiful

Calm me down, baby  
Your teeth, your mouth  
Hold me properly  
Baby, baby, calm me right down

Use your body  
Use it to put me to sleep  
Your body oh

Use your body  
Use it to put me to sleep  
Your body, oh

Soothing my soul, so beautiful

I wanna be a good man  
Don't wanna be no husband  
I wanna be only friend

Don't wanna break what I been  
I wanna be your sleep son  
Don't wanna fight when I love

I wanna be your seeker  
I wanna scream eureka  
I wanna scream eureka  
I wanna scream eureka
