Caroline
Carolina
A southern genius
A southern girl

Nine oh five
Monday morning
I'm sunny (?)
To another tune

Mommy?s here
Just to see her
Money making
Her little girl

Caroline
Carolina
She wants to go home

I don't want this
I don't need this
I don't like this anymore
I'm waiting forever
I'm never going home
I'm spoken
Frustrated about her little girl
Nine years and it?s (?)
Caroline you're never home

Caroline
Carolina
She can lead you through
Anything

Time will tell
Socialite(?)
Mathematics master
(?)

Caroline
Summer angel

It doesn't like this
Game you play

You take your bow
And win them over
Leave the letter
I go home

Caroline
Carolina
She's on her way home

I don't want this
I don't need this
I don't like this anymore
I'm waiting forever
I'm finally going home
Can't stop this obsession
(?)
Can't(?)
(?)

When I close my eyes
There's a place I go
My name is Caroline
I hide from everyone
On this nightmare ride
But I'm far from home
Under the covers of
The dust and mud and air
And my thoughts they come
Easy to me
I didn't ask for this
I hope you understand

So make your mark
So long Dad
For the first time in my life
I'm on my own
A chance for me
To be free
To be anyone I want to be at all

Concrete Carolina
Concrete Carolina
Concrete Carolina
Carolina's always on my mind

Concrete Carolina
Concrete Carolina
Concrete Carolina

Carolina's always on my mind

Concrete Carolina
Concrete Carolina
Concrete Carolina
Carolina's always on my mind

Concrete Carolina
Concrete Carolina
Concrete Carolina
Carolina's always on my mind
