My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun  
You better run  
My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun  
It started with the hay loft a-creaking  
Well it just started in the hay loft  
With his long john's on Pop went a-creeping  
Out to barn out to the hay  
Young lovers and they are not sleeping  
Young lovers in the hay loft  
With his gun turned on Pop went a-creeping  
Out to the barn out to the hay loft

My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun  
You better run  
My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun

Ah ya ya ya

My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun  
You better run  
My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun

It started with the hay loft a-creaking  
Well it just started in the hay  
With his long john's on Pop went a-creeping  
Out to the barn out to the hayloft  
Young lovers with their legs tied up in knots  
Young lovers with their legs tied up in knots  
With his long tall gun Pop went a-creeping  
To blow the hay loft dead head straight off

My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun  
You better run  
My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun  
You better run  
My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun  
You better run  
My daddy's got a gun  
My daddy's got a gun  
My daddy's got a gun

Ah ya ya ya
