I wear women's underwear  
And then I go to strike a pose in my full length mirror  
I cross my legs just like a queer  
But my libido is strong when a lady is near, ya  
What defines a straight man's straight?  
Is it the boxer in the briefs or a twelve ounce steak?  
I tell you what a women loves most  
It's a man who can slap but can also stroke

Goin' in the wind is an eddy of the truth and it's naked  
It's verbatim and it's shakin'  
No, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no more  
getting' elated  
No more listless invitations

I live by a hospital  
And every day I go out walking past it's sickly windows  
I see people dying there  
But my tender age makes it hard to care  
Incinerator and a big smoke stack  
It's a phallic symbol and it makes me laugh  
All I need is a heart attack  
C'mon, humble my bones with a Cardiac

Goin' in the wind is an eddy of the truth and it's naked  
It's verbatim and it's shakin'  
No, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no more  
getting' elated  
No more listless invitations

For the love of fuck  
For the sake of Pete  
Did you ever really think you'd love a guy like me?  
I am the rooster in the morning  
I'm the cock of the day  
I'm the boxer in the briefs  
I'm a twelve ounce steak  
Eh-oh (4x)  
Yabo

Ya, it's verbatim  
And ya, and it's naked

And ya, and it's shakin'  
It shakes, shakes shakes
