(K-Teazy)

(Lou)

Oh shit you hit me with that stardom

Roll up to P's, a 40 in hand.

Get a little drunk, barely can stand. (K-Teazy) Who
wanna dance?

P's over there given me the stare.

Teenage wasteland without a care.

I can feel it in the air

(K-Teazy & Lou)

I can feel it in the air tonight

(Lou)

That's right if you smoke and light,
puff puff pass...party all night.

(Tasty-T)

I got the grass. You got the dutch.

Put it together, now roll it up.

I'll spark you up.

no celebrity hits.

Your on the cyph...now light that shit!

Sick Life!

Ready, shitty,witty

on the mic i hit my spitty

like BIG, diddy, all the ladies

Lyricly-equipt...fuck all the biddies (K-Teazy) FUCK EM

(Lou)Chorus

It's on tonight, I'm feelin right.

Dance, get drunk and party all night.

Cause i love my crew and there's nothing we can't do
tonight.

Don't have a care, as long as my team is there,
and i love my crew and there's nothing we can't do
tonight.

(Get right. If you wanna get right put your hands up in
the sky)

(Tasty-T)

Wait...Who fucked up? Who fucked who?
(K-Teazy)
You didn't fuckin hear?
(Tasty-T)
Yo, fucking crazy ass shit happens in that backyard.

(K-Teazy)
K-Teazy in the house.
May break out of my blouse.
But listen, flip me over watch me glisten.
Shine, it's over.
Man, come peep my clover.

Trashed , smashed, funnel in hand
58 seconds on the keg stand. (Tasty-T) Champ!
Livin' life abuntantly, amazingly, outrageously.
Pass the booze, yoko ono
