Watching their Egg TV,

She want take her time out,

Meeting her new idol,

Right now she tell me "Their baby boy in stomach,

Writing for arsonist,

We won't make the money,

Fighting for charity,

Right now she have been cover old magazine,

Whatever you told me; watch you're Ads TV, yeah

Meeting her new husband,

Right now, she tell me their new baby born in stomach,

Later or soon, oh she'll doom abortion,
