We are the TMB party.

It's election time for an election rhyme,  
Vote for us and you'll be just fine.  
We'll welcome you with a cheese and wine,  
Or kill you kids if you decline.

We have some things to promise you,  
We're making buses baby blue.  
Red's so last year and as for Big Ben,  
It's time for you to join 2010.

Gordon Brown can't brake it down.  
David Cam can't do the running man.  
Who's the other one?; I think it's Nick Clegg.  
Nick Clegg, Nick Clegg, Nick Clegg, Nick Clegg, Nick  
Clegg,  
Nick Clegg, Nick Clegg, Nick Clegg, Nick Clegg, Nick  
Cleggy in the house.

We are the TMB party.  
Come-a, Come-a, Come-a, F\*\*k around with me.  
We are the TMB party.  
Come-a, Come-a, to our house party.

We are the TMB par-tay.  
We're the only party that has a DJ.  
Who's in the house? Weed in the house.  
We in the house of Parliament.

F-f-f-So much spending tax payer's moneys,  
We'll buy cars, cigars, and hot honeys.  
I could have a mote around my estate.  
We could sit around, have a mass debate.

The prime minister, ever so sinister.  
Words like a trigger, I'm verbally bigger,  
But not in my figure, go figure the size of my lunch.

The taxes I munch and the credit I crunch.

I'm the chancellor of the exchequer.

I write checks to make things better.  
If you do wrong I'll write you a letter.

I'm the chief secretary, to the Treasury.  
Got a second house in the Grand Canaries.  
If you got probs then bitch be wary,  
I could put you in the obituaries.

We are the TMB party.  
Come-a, Come-a, Come-a, F\*\*k around with me.  
We are the TMB party.  
Come-a, Come-a, to our house party.

We are the TMB par-tay.  
We're the only party that has a DJ.  
Who's in the house? Weed in the house.  
We in the house of Parliament.

Who pays for houses like this?; You do.  
Who like picnics?; We do.  
Who built this monstrosity of a ferris wheel?; Not us.  
Rubbish is literally littering the streets; Bin it.  
TMB: one, litter: nil.

We are the TMB party.  
Come-a, Come-a, Come-a, F\*\*k around with me.  
We are the TMB party.  
Come-a, Come-a, to our house party.

We are the TMB par-tay.  
We're the only party that has a DJ.  
Who's in the house? Weed in the house.  
We in the house of Parliament.
