im a ninja, on the dancefloor, i got a craving for
whatever's yours, cause im a fucking ninja on the
dancefloor,i do the things that you can't ignore,

are you a ninja? do you drink special brew, cause you
can't afford the bottle of the champagne too,
get out the kitchen cause you cant take the heat, i
never eat, cause i havent had a good night till im sick
in the street,

oh bro that really smells what have you been drinking?
super strong my mother fucker do you want a can?
i dont pay my card,mate, i dont pay my cheque, mate,
ive got so much change you cant even hold it in your
hands ah ah

im the assassin of the dark man's right so i suddenly
assassinate every drink in sight,
ive got eyes like a hawk a serial sceme theif, im like
robin hood appart from that im robbin from me,im a
rich and white whore a celebrity whore, im the type of
boy you told your daughters you watch out for and my
hands are like samurai swords but there not metal so
they're nothing like swords there just hands, what the
fuck you saying man, oh...i dunno,

but im still a ninja on the dancefloor, my hands are
nothing like samurai sword cause im a fucking ninja on
the dancefloor so get ready for what ive got in stall,

i went to cheapskate to be a cheapskate,
i went to punk to get a little crunk,
i went to haniki so i could be cheeky they wouldnt let
me in NAH till i showed my katana.

is that my drink?
i got no drink
i swear thats my drink
i got no drink
well my drinks been drunk oh well
that shit got stole oh well

oh well wally wally we can take a ride on nelly we can
move like jelly were invisible were up all night.

ive got special powers, i can stay up for 7 whole hours i
can see you when foggy foggy like snoop doggy
doggy

im a ninja dick-face gotta tatoo to prove it
dont ever let me see you with that drink coz ill loose it ,
takes you 5 whole seconds to finish it up till i come
around the corner and take a shit in your car,

im a ninja on the dancefloor i take a shit in everything
thats yours because im a fucking ninja what on the
dancefloor what

did you say something ,oh yeh i got a little hyper on the
what, like MNM ,yeh

baby im a ninja in a western world now lets hear it from
my ninja girl,

baby boo all of my friends are ninjas too just like you
oo oo oo oo oo o

oh shit (its a guy)

nin nin ja ja ja cause im a fucking ninja
on the dancefloor.
