Wake up in the morning feeling like Winehouse (Hey,  
what up girl?)  
Grab my breezer, I'm out the door I'm gonna be really  
loud (lets go)  
Cause I don't care who I piss off yeah I'm a real big  
sinner  
Sometimes I eat my dessert before my dinner

Talking odd socks on my toes, toes  
Taking off all my clothes, clothes  
Feeling overexposed,  
So I put back all of my clothes (put them back on)

Flush before I wee, wee  
Get arrested daily-ly  
Trying to get a peak of some titties

I'm mad, really bad  
But don't tell my mum & dad  
Pucker up kiss my but  
Cause I'm bloody fucking nuts  
Hear the bass, skinny waist  
Now lets copy pokerface like

Whoa whoa oh oh  
Whoa whoa oh oh

I'm mad, really bad  
But don't tell my mum & dad  
Pucker up kiss a nut  
Cause it sells to be a slut  
Hear the bass, skinny waist  
Now lets copy pokerface like

Whoa whoa oh oh  
Whoa whoa oh oh

I stay out till 11 when my curfew is 10  
Goodnight sweetie, sleep well! SHUT UP MUM I'm ON  
MSN!  
Now the girls are lining up because were pussy sailin'  
But we punch em in the mouth if they're not Sarah Palin

Talkin' bout doin' things well regret-gret  
Menthol cigarette-rette  
Butt plugs in his pet WHOA! WHOA!

Text sex on my Samsung,  
Not telling dad mum rung, rung  
Have sex with Alexa Chung  
By telling her I'm well hung (I'm quite well hung,  
actually)

I'm mad, really bad  
But don't tell my mum & dad  
Pucker up kiss my but  
Cause I'm bloody fucking nuts  
Hear the bass, skinny waist  
Now lets copy pokerface like

Whoa whoa oh oh  
Whoa whoa oh oh

I'm mad, really bad  
But don't tell my mum & dad  
Pucker up kiss a nut  
Cause it sells to be a slut  
Hear the bass, skinny waist  
Now lets copy pokerface like

Whoa whoa oh oh  
Whoa whoa oh oh

This is the part where the rap breaks down  
This is the part where the drums go POW  
This is the part where your balls sag down  
This is the part where your pants go brown  
This is the part where your dad goes off on a cold  
Christmas eve to get some more milk but he never  
comes back, and seventeen years later you find out  
that he's had a whole fucking family with some Spanish  
bitch and he doesn't even know your name anymore!

Shut the fuck up!  
\*cries\* I'm sorry

I'm mad, really bad  
But don't tell my mum & dad  
Pucker up kiss my but  
Cause I'm bloody fucking nuts  
Hear the bass, skinny waist  
Now lets copy pokerface like

Whoa whoa oh oh  
Whoa whoa oh oh

I'm mad, really bad  
But don't tell my mum & dad  
Pucker up kiss a nut  
Cause it sells to be a slut  
Hear the bass, skinny waist  
Now lets copy pokerface like

Whoa whoa oh oh  
Whoa whoa oh oh

Just dance!  
Bad romance!  
Now lets copy poker face like

Whoa whoa oh oh  
Whoa whoa oh oh
