Well where i come from,  
we learn to take it nice and slow,  
but baby since we met  
oh its been go go go

so you can rough me up  
yeah baby you can hurt me too  
because all I've got (all I've got)  
you see all I've got is you

you can rough me up  
you can break me down  
baby don't stop now  
you can use me up till it all runs out baby don't stop  
now  
baby don't stop now

I say where I come from  
We learn to make the best of things  
Honey since we met  
And I know u've had the best of me  
so u can lock me up, yeah baby throw away that key

Because all I know is that this is where I wanna be  
you can rough me up  
you can break me down  
baby don't stop now  
you can use me up till it all runs out baby dont stop now  
don't stop now i'm all yours

you can rough me up  
you can break me down  
baby don't stop now  
You can use me up till it all runs out  
Baby don't

you can rough me up  
you can break me down  
baby don't stop now  
you can use me up till it all runs out baby don't stop  
now  
I know you want, I know you want somehow, baby don't

stop now

Hey, hey, hey, hey, hey, hey, hey  
Oh baby don't stop now  
Hey hey hey, hey, hey, hey, hey  
Oh baby don't stop now
