She takes her time with the little things  
Love notes reminding me (reminding me)  
She wears red when she's feeling hot (so hot)  
I have her but it's all I got  
She looks best without her clothes  
I know it's wrong but it's the way it goes  
I don't know what she sees in me (she looking at me)  
But I'm happy that she's happy now that she's with me  
And I'm freaking out because I'm just so lucky

Oh she makes me feel like shit (it's always something)  
But I can't get over it (she thinks it's nothing)  
'Cause she's everything I ask for  
Everything I ask for  
And just a little bit more  
Everything I ask for  
Everything I ask for and so much more

She loves music but she hates my band  
Loves Prince, she's his biggest fan  
Not big on holding hands  
But that's alright 'cause I still got her  
She keeps up on current affairs  
Prada is what she wears  
I don't know what she sees in me (sees in me)  
But I'm happy that she's happy now that she's with me  
And I'm freaking out because I'm just so lucky

Oh she makes me feel like shit (it's always something)  
But I can't get over it (she thinks it's nothing)  
'Cause she's everything I ask for  
Everything I ask for  
And just a little bit more  
Everything I ask for  
Everything I ask for and so much more

Fist fights turn into sex  
I wonder what comes next  
She loves to always keeps me guessin' (guessin')  
And she (she) won't (won't) give it up  
And we (we) won't (won't), no  
It's because...

Oh she makes me feel like shit (it's always something)  
But I can't get over it (she thinks it's nothing)  
'Cause she's everything I ask for  
Everything I ask for  
And just a little bit more  
Everything I ask for  
Everything I ask for (oh she's a little bit more)  
Just a little bit more  
Everything I ask for  
Everything I ask for (whoa)  
So much more  
Everything I ask for  
Everything I ask for and so much more
