[Featuring Brighten]

December 1st

I'm in a foreign state, I'm running late
I'm all alone, wishing I was home with you baby
She's got a way of making things okay when she's not
around
When she's not around I'm going crazy
We like to talk about the plans we make
And things we say when we're together
I hope for better weather this year
But you my dear need to know
This year I want you alone

Ho ho hopefully

This holiday will make us believe that
We're exactly where we're supposed to be
And we're ho ho hoping that we all come back
And as a matter of fact I know
We're exactly where we're supposed to be
Together by this Christmas tree

[Justin from Brighten:]

We go together like the winter and a sweater
And she makes me feel,
She makes me feel alive inside
And when I look into her eyes
I see the blue and green like Christmas lights
Like Christmas lights, oh what a sight

[Alex from Brighten:]

She says I've got a way of making everything okay
She's not alone, she's not alone and never will be
Ho ho hopefully

This year I'll have you alone

Ho ho hopefully

This holiday will make us believe that
We're exactly where we're supposed to be
And we're ho ho hoping that we all come back
And as a matter of fact I know

We're exactly where we're supposed to be
Together by this Christmas tree

Don't you go this year, aren't you lonely?
Baby I want you alone

Ho ho hopefully
This holiday will make us believe that
We're exactly where we're supposed to be
(Exactly where we're supposed to be)
And we're ho ho hoping that we all come back
And as a matter of fact I know
I'm exactly where I need to be
With you by this Christmas tree
Together just you and me
Together by the Christmas tree
