There was a new girl in town.
She had it all figured out. (Had it all figured out)
And I'll state something rash.
She had the most amazing....smile.
I bet you didn't expect that.
But she made me change my ways. (She made me
change my ways)
With eyes like sunsets baby.
And legs that went on for days.

I'm fallin' in love
But it's fallin' apart.
I need to find my way back to the start.
When we were in love.
Oh things were better than they are.
Let me back into.
Into your arms.
Into your arms.

She made her way to the bar.
I tried to talk to her.
But she seemed so far. (She seems so far)
Outta my league.
I had to find a way to get her next to me.

I'm fallin' in love
But it's fallin' apart.
I need to find my way back to the start.
When we were in love.
Oh things were better than they are.
Let me back into.
Into your arms.
Into your arms.

Oh she's slippin' away.
I always freeze when I'm thinking of words to say.
All the things she does.
Make it seem like love.
If it's just a game. (Just a game)
Then I like the way that we play.

I'm fallin' in love

But it's fallin' apart.
I need to find my way back to the start.
I'm fallin' in love
But it's fallin' apart.
I need to find my way back to the start.
When we were in love.
Oh things were better than they are.
Let me back into.
Into your arms.
Into your arms.
Into your arms.
Into your arms.
