We're too young, this is never gonna work.  
That's what they say, you're going to get hurt.  
But I know something they don't.  
I hear your heart, beating right in time  
Right from the start, knew i had to make you mine.  
And now i'll never let you go  
Don't they know that love, won't lie.  
Don't listen to the world, they say we're never gonna  
make it  
Don't listen to your friends, They would have never let  
us start.  
And don't listen to the voices of your head, listen to  
your heart.  
This promise, doesn't have to be too loud.  
Just whisper, I could find you in a crowd.  
I think it's time we run away.  
Your father, says i'm not good enough and,  
Your mother, she thinks that this is just a phase!  
I think that we should runaway .  
Don't listen to the world, they say we're never gonna  
make it  
Don't listen to your friends, They would have never let  
us start.  
And don't listen to the voices of your head, listen to  
your heart.  
Woahhhhhh  
You gotta listen to your heart,  
go on and listen to your heart,  
come on and listen to your heart,  
It'll tell the truth, it'll set you free, it'll say that you were  
meant for me.  
And this is where we're supposed to be, yeahhhh.  
Don't listen to the world, they say we're never gonna  
make it,  
but I know we'll make itttt  
So Don't listen to your friends, They would have never  
let us start.  
And don't listen to the voices in your head,  
Love will never ever let us fall aparttttt,  
you gotta listen to your heart  
woahhhhhh  
Go on and listen to your heart,

you gotta listen to your heart  
Woahhhh  
come on and listen to your heart,  
Listen to your heartttt.
