My cowboy boots they don't seem to fool
Not anyone, not even you
I've got an old suitcase, full of my old ways
But I tossed it away and I swallowed that key

Take a deep breath, throw it all away
So don't fight, cause this is what you need
Come on and shake, shake, shake it around, and
around,
and around again
So don't fight, cause this is what you need
Come on and shake, shake, shake it around, and
around,
and around again

And oh my god, when you move that way
You're gonna get every boy you meet in this entire town
And oh my god, when you move that way
You're gonna get every boy you meet, including me
So take a deep breath, throw it all away
So don't fight, cause this is what you need
Come on and shake, shake, shake it around, and
around,
and around again
So don't fight, cause this is what you need
Come on and shake, shake, shake it around, and
around,
and around again

Come on and shake it
Sha-sha-sha-shake it for me

So don't fight, don't fight, cause this is what you
need
Come on and shake, shake, shake it around, and
around,
and around again
So don't fight, cause this is what you need
Come on and shake, shake, shake it around, and
around,
and around again
